MEDIA RELEASE

**Far North Queensland District Ladies Golf Association
Hosting the
Queensland Inter-District Junior Jug event
at Half Moon Bay Golf Club
2nd – 5th JULY 2017**

The FNQ District Ladies Golf Association is delighted to host the prestigious Junior Jug event, for elite female junior golfers, with half the players competing off single figure handicaps. Players have been selected to represent their District, and teams competing this year are Brisbane & District, Downs & South Western District, Womens' Golf Gold Coast, Golf North Queensland, Sunshine Coast & Burnett District and our own Far North Queensland District.

Sunday afternoon will see players having a practice round to familiarise themselves with the layout of the challenging Half Moon Bay course, before the serious match play starts at 7.30am on Monday 3rd July. Teams will play five rounds over 3 days, with the final round Wednesday morning to determine the winning District.

The FNQDLGA Team consists of Lilly Birney off 8 handicap, Annabelle Hutchings off 10 handicap and Megan Smith with a handicap of 20. Team Captain, Alice Nurthen will be a steady guidance for the young team with the assistance of Manager, Lorraine Matthews.

The event has been organised by FNQDLGA President Liz Zakarevicius, with the assistance of the FNQDLGA Committee, and supported by a group of volunteers from a number of the District clubs. Sponsorship support from Half Moon Bay Golf Club and Snap Printing is greatly appreciated to ensure a successful event.
